

MEDICAL SERVICES CONTRACT

I hereby authorize Tuckahoe Orthopaedic Associates, Ltd., to render services to me and/or my child. I authorize payment directly to Tuckahoe Orthopaedics for the benefit otherwise payable to me under the terms of my insurance. Tuckahoe Orthopaedics may, but is not required to (with the exception of Medicare), file a claim with any and all policies of insurance. If the insurance company payment is not timely, I understand that it is my responsibility to pay any outstanding bill and pursue recovery of expenses with the insurance company. I understand that I am financially responsible for all the charges arising for treatment.

I understand that health information in my and/or my child's medical record may be released in accordance with Tuckahoe Orthopaedic Notice of Privacy Practices, a copy of which has been provided to me.

I hereby grant Tuckahoe Orthopaedic Associates, Ltd. an irrevocable lien on any and all Medpay insurance I may have or may otherwise be a beneficiary to. In the event that my (or my child's) illness or injury has arisen out of an occurrence for which a third party is, or may be, responsible, I hereby grant Tuckahoe Orthopaedics an irrevocable lien on any recovery against said third party in an amount equal to the total of all sums due plus contract interest and attorney fees if the bill has been turned over to an attorney for collection. I acknowledge that there has been no representation or agreement by Tuckahoe Orthopaedics that it will withhold collection against me pending settlement of such a claim.

Tuckahoe Orthopaedic Associates, Ltd. owns and operates on-site its own magnetic resonance imaging (MRI) scanner and I understand that my physician has a financial interest in the MRI as a result of his or her relationship with Tuckahoe Orthopaedic Associates, Ltd. There are other, independent, diagnostic imaging centers in the community providing MRI and other comparable diagnostic imaging services. If the physician determines that I need a MRI scan, I understand that I have the option to obtain it from Tuckahoe Orthopaedic Associates, Ltd. or from an outside supplier.

If this contract or any debt owed to Tuckahoe Orthopaedic Associates, Ltd. is referred to an attorney or collection agency for collection, I agree to pay all attorney or collection fees up to thirty-five percent (35%) of the total indebtedness and all court costs incurred by Tuckahoe Orthopaedic Associates, Ltd. If this indebtedness is not paid in full within sixty (60) days, I agree to pay a service charge of one and one-half percent (1½%) per month, eighteen percent (18%) per annum.

Patient acknowledges that Doctor has determined that he/she is in the profession of providing quality medical care, not testifying as a witness in legal proceedings. Doctor has further determined that Patient and all of Doctor's other patients are best served by Doctor's express policy to decline, to the full extent permitted by law, to provide testimony as a witness in any type of legal proceedings. In the event that Doctor is compelled to testify he/she may, at his/her option, appear only as a witness to fact and, accordingly, interpret what is in the patient's records for the court. He/She, at his/her option, may not wish to offer any expert opinion. Patient consents to and agrees to abide by this policy. Patient further acknowledges that in the event Doctor is compelled to testify in connection with any such legal process, patient agrees to be responsible for payment of the fee prior to the Doctor's testimony.

NOTICE OF DEEMED CONSENT TO HIV BLOOD TESTING

A Virginia law was enacted in 1989 that allows Health Care providers to test their patients for HIV antibodies when a Health Care Worker is exposed to the body fluids of a patient in a way which may transmit human immunodeficiency virus (HIV), the virus which causes AIDS. Because of this law, in the event of such exposure, you will be deemed to have consented to such testing. Except in emergencies, you will be informed before any of your blood is tested for HIV antibodies. The testing will be explained to you and you will be given the opportunity to ask any questions you might have.

You will be provided with the test results and appropriate counseling. These results, if positive, are required to be reported to the Virginia Department of Health.

I have read and understand the above "Notice of Deemed Consent to HIV Blood Testing."
